CEO Europe certifies its 5000th iCEO™

9/25/2007

Location: UK, Other Europe

CEO Europe is proud to announce that it has certified 5000 top executives, and therefore, can provide top executive recruitment solutions.

This pool of 5000 iCEO™ certified top executives must have a minimum of 10-15 years of professional experience, covering 154 countries worldwide.

The rigorous recruitment process takes about three weeks, the executives can be contracted on a permanent or temporary basis. For further information, please visit their website to obtain more information about this innovative process.
