- A CEO Europe franchise partner benefits from
- a strong brand name and trademark recognition and protection
 - a database with 8346 top executive profiles covering most industry sectors, functions and 168 countries
 - a high standard IT system with a full set of e-services, including candidate sourcing and matching, client mandate management and invoicing
 - a multi-language website with more than 20.000 unique visitors per month
 - over 35.000 newsletter subscribers
 - marketing, legal and administrative documentation and support

An opportunity dedicated to established businesses
Local companies in either recruitment/consulting/coaching or training are particularly well targeted to leverage the synergies of the respective business fields.

CEO Europe's positioning:
International Top Executives - Interim to Permanent Recruitment - Fast - Flexible - Performance Fees Based
CEO Europe's offer « Management on demandT » provides a unique solution in temporary or permanent international executive recruitment.

The solution is based on CEO Europe's capacity to select top executives worldwide extremely fast and at a competitive price.

The manager database can be easily tested via the free "Top Executive Search Engine ", accessible directly via this link or from the homepage of CEO Europe

In addition to this new corporate franchise offer, CEO Europe still promotes its Entrepreneurial & Individual Franchise for senior top executives with strong International recruitment expertise.

For more information on either franchise offer, interested parties can contact Janet Clark at janetc@ceo-europe.com
