CEO WORLDWIDE CELEBRATES ITS 20th ANNIVERSARY

Launched in January 2002, CEO Worldwide is celebrating its twenty years of partnering world-leading executive talent with companies around the globe

“As an entrepreneur regularly using the services of headhunters and consultants, I had been frustrated by the inadequacy of their answers and timing to solve the international problems I was facing.”

— Patrick Mataix, Founder and CEO

LONDON, ROYAUME-UNI, February 18, 2022 /EINPresswire.com/ -- CEO Worldwide Founder Patrick Mataix says, As an entrepreneur regularly using the services of headhunters and consultants, I had been frustrated by the inadequacy of their answers and timing to solve the international problems I was facing daily. The solution? To launch CEO Europe, encompassing the values he felt missing in other executive search functions. And it did start as it meant to go on; with strong values underpinning the fast, transparent and flexible interim recruitment service.

20 years, 20 000 vetted International C level candidates, innovative services

In 2005, the company expanded services to Executive Permanent placement and Interim to Permanent placement

In 2007, the [iCEO investors' service](#) was launched, supporting startups and VCs in the employment of executives willing to invest in the company they are joining

In 2010, CEO Europe went international, becoming CEO Worldwide with 10,000+ vetted executives covering 40 countries

In 2013, CEO Worldwide HQ moved to the UK and launched its [Top Executive Search Engine](#)

In 2022, CEO Worldwide exceeds a vetted pool of 20,000+ international executives covering 180 countries and 84 languages

A commitment to offering world-class service to clients and executives

CEO Worldwide closes its 1351st executive mandate with a CEO placed in India

CEO Worldwide signs with 48 ambassadors worldwide covering 32 countries

CEO Worldwide vets a pool of 3,000+ iCEO investors representing a cumulative potential investment exceeding 1 billion USD

A commitment to gender and diversity

In 2018, the [Female Executive Search platform](#) to promote executive gender balance and diversity launched

Female Executive Search exceeds a vetted pool of 3,100+ international female executives covering 86 countries and 64 languages

CEO Worldwide signs an international RPO agreement with an International Large Cap (8B+ turnover) to support its gender diversity hiring for senior roles globally with its Female Executive Search platform

Female Executive Search places 28 of its vetted female executives at top operational management and in C-level and NED positions in the USA, UK, Switzerland, Germany, France, India and Poland

About CEO Worldwide

CEO Worldwide was launched in 2002 to challenge the lengthy and expensive process of recruiting international executives.

They are committed to fixed recruitment fees, payable on successful placement, flexible contract terms contract, interim or permanent, to suit each client, a selection of suitable candidates supplied to clients within 10 days and a 100% success fee, 12-month replacement guarantee.

Since 2002, CEO Worldwide has gained a reputation for its ability to match candidates to urgent requirements, alongside its cross-border placement expertise. Its Investors on Demand service can also connect businesses with investment, when it is needed most. In 2018, CEO Worldwide was named in Forbes' list of the best 250 US executive recruitment firms. With more than 20,000 certified executives on its global iCEO database, including thousands of female leaders, CEO Worldwide is uniquely placed to source the very best candidates for your executive position.
